## Annual Subscription Rates (1986)

Published quarterly—one volume per annum

To libraries, university departments and all other multiple-reader institutions: US \$85.00 per annum (including postage and insurance). Two-year price (1986/1987): \$161.50. Any individual whose institution takes out a library subscription may purchase a second or additional subscription for personal use at the much reduced price of \$50.00 per annum. Prices are subject to change without notice. Members of the International Society of Chronobiology will receive a subscription to *Chronobiology International* as part of their membership dues. Subscription enquiries from customers in North America should be sent to: Pergamon Press Inc., Maxwell House, Fairview Park, Elmsford, NY 10523, U.S.A. and for the remainder of the world to: Pergamon Press Ltd., Headington Hill Hall, Oxford OX3 0BW, U.K.

## Microform Subscriptions

Current subscriptions are available on microfiche simultaneously with the paper edition and on microfilm on completion of the annual index at the end of the subscription year.
